

ASFIA KALAM

Location: Bihar, India **Phone:** +91-8789016085 **Email:** kalamasia17@gmail.com

LinkedIn: asfiakalam | GitHub: asfia17

PROFESSIONAL SUMMARY

Computer Science undergraduate with strong foundations in Python, SQL, Linux, and Digital Forensics. Experienced in developing forensic analysis tools, image authentication systems, and file compression applications. Passionate about Cybersecurity, Software Development, and solving real-world technical problems through innovative solutions.

TECHNICAL SKILLS

Programming Languages: Python, JavaScript, SQL, HTML, CSS

Computer Science Fundamentals: Object-Oriented Programming (OOP), Data Structures, Software Development Life Cycle (SDLC)

Web Technologies: HTML5, CSS3, JavaScript

Cloud Technologies: AWS

Tools & Platforms: Git, GitHub, Linux (Ubuntu)

Libraries: OpenCV, NumPy

Database: SQL

Areas of Interest: Cybersecurity, Digital Forensics, Full Stack Development

PROJECTS

Forensic Lens

May 2026

Python, OpenCV, NumPy, Linux (Ubuntu)

- Developed a Python-based digital image forensic application to verify image authenticity and detect tampering indicators.
- Implemented EXIF metadata extraction to analyze device information, timestamps, and modification history.
- Integrated SHA-256 cryptographic hash verification for validating file integrity.
- Utilized OpenCV and NumPy for automated image processing and forensic analysis.
- Generated automated HTML and PDF forensic reports.
- Designed a modular and scalable workflow for forensic analysis automation.

Multi-File Compression System (MDC)

Jan 2025

C Programming, Linux, File Handling

- Developed a command-line file compression and decompression system in C.
- Implemented modular components for compression, decompression, and statistics analysis.
- Designed a menu-driven interface to manage compression operations.
- Utilized Linux file handling and system calls for efficient processing.
- Optimized file processing using modular programming practices.

EDUCATION

Maulana Azad National Urdu University

2022 – 2026

B.Tech in Computer Science
CGPA: 8.69 / 10.00

Govt. Girl's College Gardanibagh

2020 – 2021

Intermediate
Percentage: 62.8%

EXTRACURRICULAR ACTIVITIES

National Cadet Corps (NCC)

Aug 2023 – Feb 2026

Hyderabad, India

- Successfully completed NCC C Certificate.

- Participated in Annual Training Camps (ATC) and National-Level Camps.
- Served as Junior Under Officer (JUO) at university level, demonstrating leadership, discipline, and responsibility.

CERTIFICATIONS

- **Python**

ACHIEVEMENTS

- Founded E-CELL MANUU and trained 860+ students in entrepreneurship and innovation.
- Successfully completed 45+ academic and personal software development projects.
- Maintained a CGPA of 8.6/10 in B.Tech Computer Science.
- Strong understanding of Data Structures and Algorithms.
- Active learner of Full Stack Development, Cybersecurity, and Digital Forensics.

SOFT SKILLS

- Problem Solving
- Analytical Thinking
- Communication Skills
- Teamwork and Collaboration
- Leadership
- Time Management
- Adaptability
- Quick Learning
